Dear Scott

Many JLS Families came to the JLS Pizza Dinner!

A Huge thanks to Grace Downer for hosting our Back to School Pizza social. Thank you to all the volunteers who passed out pizza and salad and desserts to hundreds of JLS families. We couldn't have done it without help from Sharon Tobias, Henrik Morkner, Erik Jacobsen and David Downer. We had dozens of other volunteers helping serve pizza and salad and water, and helping with all the logistics of such a large event. What a fun way to start the new year!

JOIN US! TOGETHER WE STRENGTHEN OUR SCHOOLS!

PiE has launched its 2016-2017 fundraising campaign. We ask to you to join us as our kids need the support of the whole community. PiE funds go to every Palo Alto district school and give each principal the funding needed to staff many programs that make a difference for the students and families at each school location. From our classroom aides, to teachers for STEAM-focused electives, music and art, to caring counselors and mentors, PiE-funded staff make a positive impact on our kids every day.

Between now and September 6, you can double your impact via **the \$500,000 Back-To-School Challenge Grant** which matches every dollar donated to PiE.

Please donate today! [Click here to donate online.](#)

Driving Safety for JLS!

The Safety of our JLS students are **utmost importance!** Please be extra cautious while driving around JLS school property, abutted Fairmeadow elementary school and East Meadow to Mitchell Park library. Full list of Safe Driving and Auto Parking and Drop-off rules and precautions are available on [JLS parent handbook on P 35 under TRANSPORTATION](#). Please observe the following rules and precautions **for the safety of all students!** Click [here](#) for your review.

Some highlights:

- Observe the 25 mph speed limit in school zones at all times. Avoid making U-turns and other illegal or unsafe maneuvers on East Meadow.
- Be alert. School commute routes carry hundreds of pedestrians, skateboarders, bicyclists, and cars. When preparing to turn right, always look for cyclists in the bike lanes.
- Be especially alert for young children. JLS abuts an elementary school. Young children cannot judge speed or distance of vehicles moving toward them, and they think cars can stop suddenly. Young children also have a narrower field of vision than adults do, about one-third less.
- Yield right of way to pedestrians in crosswalks, which exist at all intersections - even when crosswalks are not marked.
- No right turn on red at Waverley and East Meadow when children are present.
- Obey Crossing Guards. They help students cross safely and reduce driver confusion during peak congestion hours.
- Do not drive in the bike lanes. Dashed white lines to your right are an indication that it is OK to merge into the bike lane when making a legal right turn. Using a bike lane to pass other traffic on the right is illegal. Drivers must yield to bicyclists in the bike lane. That is the law.
- Do not use red zones to drop off or pick up passengers. Do not drive through the red zones to get to loading zones.
- Do not enter or use the Fairmeadow driveway to drop off or pick up students.

PLEASE MODEL SAFE BEHAVIOR - Your future driver is watching and learning.

Renaming Schools Advisory Committee (RSAC) Survey

The PAUSD School Board created a Renaming Schools Advisory Committee (RSAC) and charged this committee to explore and recommend processes for naming or renaming schools based on community input and feedback. The community consists of students, parents, alumni, former parents, community members, and PAUSD teachers and staff. With this short survey, we would like to get your initial input concerning the criteria you

consider to be most important for the naming of any district school. Your input will help the RSAC understand the community's values, and alongside other data, help inform the Committee's discussions and recommendations to the Board. The survey is very short and we appreciate you taking two or three minutes to give your input by completing and submitting this seven question survey. Parents must fill out a waiver for their child(ren) at tiny.cc/makexwaiver. This form is required to participate in the workshop.

To help offset the costs of the materials and food, a \$10 donation is suggested. If you choose to make a donation, you can bring cash to the event or make a check out to CAPA (Council on the Arts in Palo Alto). Donations are an essential part of sustaining MakeX for community use, and we are greatly appreciative of any contributions!
