**Attention Palo Alto Students, Parents, Grandparents and
Neighbors!!!**

Project Safety Net Epi-Aid Community Survey

**Your VOICE is needed on an important Suicide Prevention and
Youth Well-being Survey.**

This is a great opportunity to have your voice heard by participating in the online survey of Palo Alto students and residents, created and sponsored by Project Safety Net - www.psnpaloalto.org.

Your anonymous responses related to Palo Alto's efforts to prevent youth suicide will be collected and shared with the Centers for Disease Control and Prevention (CDC) Epi-Aid report due later this year.

We promise you will receive the results!

To access the survey (available in English, Spanish and Mandarin):
